

Important Changes for Meal Pick Up

M.S.A.D. No. 75 Food Service Program needs to change the pickup locations for meals beginning tomorrow, Wednesday March 25th. The following locations will be:

- Harpswell Community School, 12pm-1pm
- Bowdoin Central School, 12pm-1pm
- Mt Ararat Middle School, Bus Loop & Rear Parking Lot
11:00AM -1:00PM

These will be the feeding sites going forward, we will no longer serve meals at Woodside Elementary School or Bowdoinham Community School.

We needed to make these changes based on new guidance from the State of Maine and how our district will be reimbursed for the meals. We apologize for the multiple changes through this program, but we are still able to feed our children at these locations only.

As always, any questions or concerns can be sent via email to Katy DiCara, at dicarak@link75.org.
